

Medina Quilter's Sampler Baby Quilt

- Basic 4X
- Dreaming Pinwheels
- Snail's Trail
- Sunlit Geometrics
- Tree out the Window
- Birds in the Air

All blocks 16 1/2" unfinished - 16" finished
All seam allowances 1/4"

Sashing = 2 1/2" unfinished strips = 2" finished strips

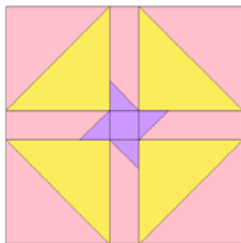

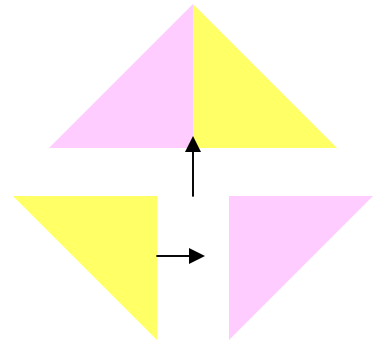

Basic 4X

Cutting:

Cut TWO (2) 17 1/4" squares from coordinating fabrics - then, cut each square in half, corner-to-corner, diagonally TWO (2) times. You will end up with FOUR (4) triangles from each color - you only need

TWO (2) of these triangles, per color, for this block.

Dreaming Pinwheels

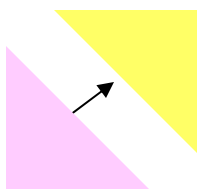

Cutting:

1. Cut TWO (2) 6 1/2" squares from two coordinating fabrics - then, cut each square in half ONE (1) time, corner-to-corner diagonally. You will end up with TWO (2) triangles per color.

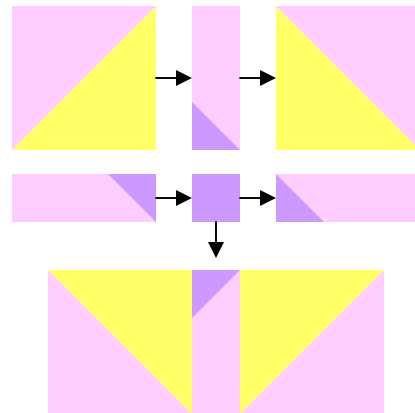

2. Cut FIVE (5) 2 1/2" squares. On the backs of FOUR (4) of these squares, draw a line, corner-to-corner, diagonally ONE (1) time.

3. Cut FOUR (4) 2 1/2" x 7 1/4" strips.

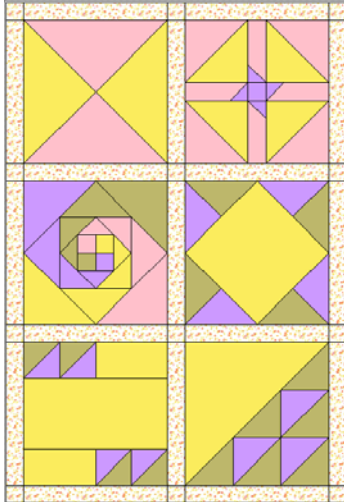

Sew the 2 1/2" squares to the ends of the strips, ON the line you drew. When done, cut 1/4" from the sew line (discard corners) and press open. Make FOUR (4).

Make FOUR (4).

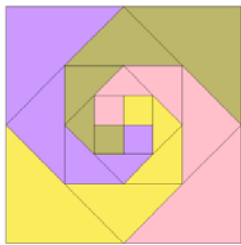

Medina Quilter's Sampler Baby Quilt

- Basic 4X
- Dreaming Pinwheels
- Snail's Trail
- Sunlit Geometrics
- Tree out the Window
- Birds in the Air

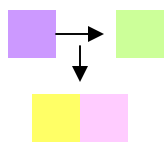

All blocks 16 1/2" unfinished - 16" finished
All seam allowances 1/4"

Snail's Trail

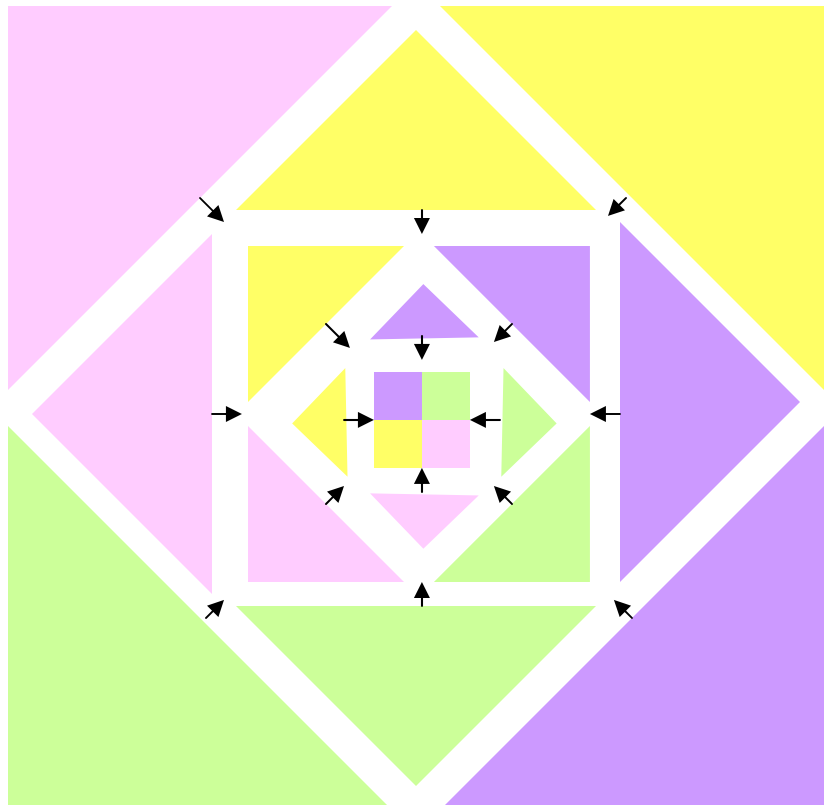

Cutting:

1. Cut FOUR (4) 2 1/2" squares out of FOUR (4) coordinating fabrics
2. Cut ONE (1) 5" square out of FOUR (4) coordinating fabrics
Cut ONE (1) 8 3/4" square out of FOUR (4) coordinating fabrics. Then, cut each square in half, corner-to-corner, diagonally TWO (2) times.
You will end up with FOUR (4) triangles from each color - you only need ONE (1) of these triangles, per color, for this block.
3. Cut ONE (1) 4 1/2" square from FOUR (4) coordinating fabrics. Then, cut each square in half, corner-to-corner, diagonally ONE (1) time - you only need ONE (1) of these triangles, per color, for this block.
4. Cut ONE (1) 8 1/4" square from FOUR (4) coordinating fabrics. Then, cut each square in half, corner-to-corner, diagonally ONE (1) time - you only need ONE (1) of these triangles, per color, for this block.

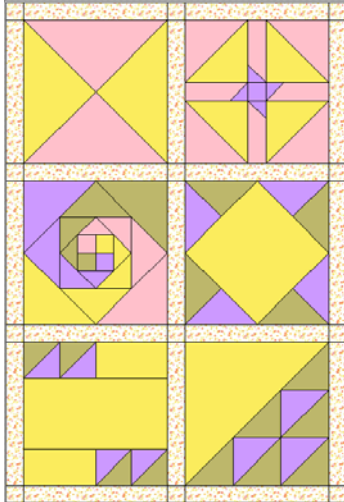

Make the center, first, sewing the 2 1/2" squares together, as shown.

Then, begin sewing the triangles to the center, squaring up your piece with each set of FOUR (4) triangles sewn.

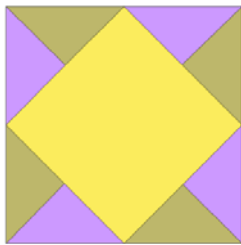

Medina Quilter's Sampler Baby Quilt

- Basic 4X
- Dreaming Pinwheels
- Snail's Trail
- Sunlit Geometrics
- Tree out the Window
- Birds in the Air

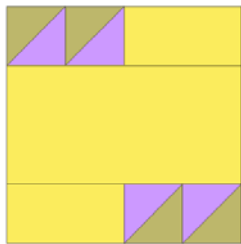

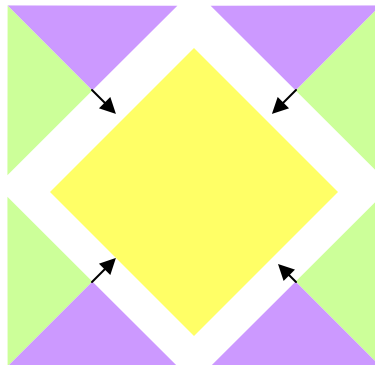

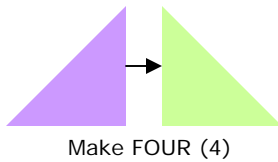

All blocks 16 1/2" unfinished - 16" finished
All seam allowances 1/4"

Sunlit Geometrics

Cutting:

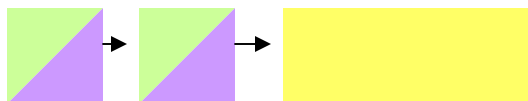

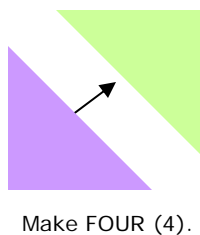

1. Cut TWO (2) 6 1/2" squares from TWO (2) coordinating fabrics. Then, cut each square, corner-to-corner, diagonally ONE (1) time. You will end up with FOUR (4) triangles per color.
2. Cut ONE (1) 11 3/4" square for center.

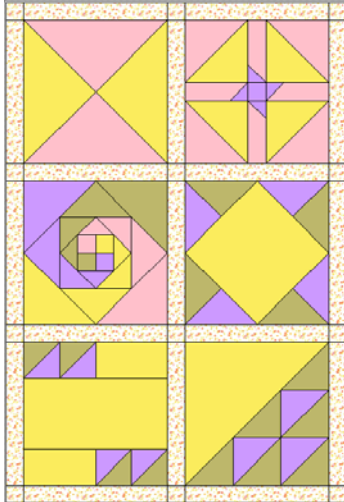

Tree out the Window

Cutting:

1. Cut TWO (2) 4 3/4" squares from TWO (2) coordinating fabrics. Then, cut each square, corner-to-corner, diagonally ONE (1) time. You will end up with FOUR (4) triangles per color.
2. Cut TWO (2) 4 1/2" x 8 1/2" strips from another coordinating fabric.
3. Cut ONE (1) 8 1/2" x 16 1/2" strip of fabric for center.

All blocks 16 1/2" unfinished - 16" finished
All seam allowances 1/4"

Birds in the Air

Cutting:

1. Cut TWO (2) 6" squares from one fabric color. Then, cut each square diagonally, corner-to-corner, ONE (1) time. You will end up with FOUR (4) triangles but you only need THREE (3) for this block.
2. Cut THREE (3) 6" squares from another fabric color. Then, cut each square diagonally, corner-to-corner, ONE (1) time. You will end up with FOUR (4) triangles.
3. Cut ONE (1) 16 3/4" square from coordinating fabric. Then, cut this square diagonally, corner-to-corner, ONE (1) time. You will end up with TWO (2) triangles but you only need ONE (1) for this block.

Make THREE (3).
